

FlashCard CopyStation II

FlashCard CopyStation II

Rapid duplication of most types of memory media for mobile systems

- ◆ Complete system (PC without monitor) plus altec copying software; runs under Windows XP Professional; with four preconfigured PC Card Drives for a total of eight PC Card slots
- ◆ Supplied with English or German keyboard and operating system, mouse and external DVD±RW-, ±R DL-, DVD-RAM-Drive with USB interface
- ◆ In-house developed copy software with the same «look & feel» as all other altec CopyStations; user interface selectable for English or German; other languages are available on demand; compatible with Windows 2000 and XP
- ◆ Job Wizard to specify parameters for the copy job such as the image file name, number of copies and whether to verify after writing or not
- ◆ Image copies – copying of e.g. eight PC Cards with 512 MB in approx. 20 min. (speed depends on card type)
- ◆ Compatible with PC Cards and all memory media which can be used with a PC Card Adapter, such as Compact Flash Cards, SD & SDHC Cards, miniSD & miniSDHC Cards, microSD & microSDHC Cards, MultiMediaCards, Microdrives, all Memory Sticks, xD-Cards
- ◆ Software option for creating and copying smaller image files; with this, memory cards where much less data is stored than the actual storage capacity permits can be programmed much quicker
- ◆ PC Card Adapter for different memory cards formats on request

Product Highlights

- Compatible with most mobile memory media
- Choice between a standard and an optional copy method
- Competitive price due to the use of standard components
-   und  ready

PC Card adapters let you program a wide range of memory media

24 Months Warranty
