

FlashCard CopyStation Mobile

FlashCard CopyStation Mobile

Duplication of flash memory media on the go

- ◆ **Mobile USB CopyStation with 2 CF Card Type I & II slots for connecting to a Notebook or a PC via USB 2.0**
- ◆ **In-house developed copy software with the same «look & feel» as all other altec CopyStations; user interface selectable for English or German; other languages are available on demand; compatible with Windows XP and Vista**
- ◆ **Job Wizard to specify parameters for the copy job such as the image file name, number of copies and whether to verify after writing or not**
- ◆ **Compatible with CF Cards Type I & II and all memory media which can be used with a CF Card Adapter, such as SD & SDHC Cards, microSD & micro SDHC Cards, MultiMediaCards, all Memory Sticks, xD-Cards (depending on the used adaptor)**
- ◆ **Software option for creating and copying smaller image files; with this, memory cards where much less data is stored than the actual storage capacity permits can be programmed much quicker**
