

IQ CopyStation

Fastest copy systems for Flash memory media worldwide

- ◆ **Currently up to 2000 MBytes/s of transfer rate about all slots.** The system has enough achievement reserves for future memory media. Limiting factor now and in future will be the memory media's transfer rates
- ◆ **New innovative Copy on Insertion™ technology** (available about Q1/Q2 2009); an inserted storage medium initiates the copy process automatically at once
- ◆ **New and easy operational concept;** users only need a very short time to familiarize themselves with IQ CopyStation which leads to high productivity
- ◆ **Primary designed as stand alone system;** allows autarkic image copies from inserted master memory medium on currently 20 slots for memory media
- ◆ **Secondary host based operating mode via USB 2.0**
- ◆ **IQ PowerSoftware Lite und Basic** for host based mode; the newest in-house developed copy software with the proven ease of use of the altec CopyStation software
- ◆ **Optionally** available for IQ PowerSoftware Basic are the options FileCopy, Serialization, ShortImage and WriteProtect
- ◆ **The IQ PowerSoftware Basic is able to control up to 32 IQ CopyStations,** you need the functionality of IQ2, IQ4, IQ8, IQ16 or IQ32 software for it
- ◆ **A customization of copy modes** in stand alone mode and of IQ PowerSoftware for host based mode as well as check routines for Flash memory cards are available on request

Product Highlights

- Currently up to 2000 MBytes/s of transfer rate about all slots
- Maximum speed is limited by the memory media
- Copy on Insertion™ – highly efficient copying
- To serve easy – this lowers your personnel costs.
- Unique IQ PowerSoftware options
- Available for SD/SDHC/MMC/MMCplus, microSD/SDHC, Memory Stick Pro/Pro DUO/Pro HG/Pro HG DUO and MemoryStick Micro M2

24 Months Warranty

IQ CopyStation	Item no.
IQ COPYSTATION SD/SDHC/MMC/MMCPLUS	B33AL103
IQ COPYSTATION MICROSD/SDHC	B33AL104
IQ COPYSTATION MEMORY STICK PRO/PRO DUO/PRO-HG/PRO-HG DUO	B33AL102
IQ COPYSTATION FÜR MEMORY STICK MICRO M2	B33AL101

Technical Specifications

RoHS COMPLIANT
2002/95/EC

Hardware:

- Interface: USB 2.0
- Slots: 21 slots (thereof 1 master)
- Case: Rugged and compact metal case 227 x 140 x 56 mm (WxDxH)

Performance:

- Data transfer rate: Up to 2000 MBytes/s cumulative
Maximum speed is limited by the memory media

Electric:

- Power supply: Separate power supply unit

Environmental specifications:

- Humidity: 10% to 90% non-condensing
- Temperature: +10° to +35°C (operating)
–40° to +65°C (non-operating)

Software:

- Supplied OS: Windows XP Professional and Vista with min. 1 GHz CPU
