

# USB Stick CopyStation 21 Ultra

## Ultra fast duplication of USB memory sticks

- ◆ Duplication of data images to up to 21 USB memory sticks simultaneously
- ◆ Preinstalled system including altec copying software under Windows XP Professional with 21 USB 2.0 slots
- ◆ Supplied with English or German keyboard and operating system, mouse and DVD-Drive
- ◆ In-house developed copy software with the same «look & feel» as all other altec CopyStations; user interface selectable for English or German; other languages are available on demand
- ◆ Job Wizard to specify parameters for the copy job such as the image file name, number of copies and whether to verify after writing or not
- ◆ CopyStation's transfer rate is approx. 75 MB/s; copies 21 USB sticks with 512 MB in approx. 2½ min. (speed depends on USB stick type)
- ◆ Software option for creating and copying smaller image files; with this, USB sticks where much less data is stored than the actual storage capacity permits can be programmed much quicker
- ◆ Optional software interface for data exchange with external application to allow customization of individual USB sticks, e.g. serialization or data encryption
- ◆ File Copy option to copy files from a specified directory to USB sticks, which are supported by Windows, instead of copying from an image file; the sub-directory structure (if present) is also copied
- ◆ We strongly recommend that you only use USB memory sticks from international brand manufacturers such as SanDisk, Lexar or Transcend

## Technical Specifications

<b>Hardware</b>		<b>Environmental Specifications</b>	
– Hardware	Preinstalled system (without monitor); incl. keyboard, mouse, graphic card, DVD drive and standard interfaces	– Humidity	10% to 90%, non-condensing
– Slots	for 21 USB sticks; horizontal center-to-center distance between the slots 11.5 mm, vertical 42 mm	– Temperature	5° to +45°C (operating) 0° to +75°C (non-operating)
<b>Software</b>		<b>Performance</b>	
– Supplied OS	Windows XP Professional	– Data transfer rate	approx. 75 MB/sec.; 21 USB 2.0 sticks à 512 MB in approx. 2½ min. (speed depends on USB stick type)
